

To Whom This May Concern,

My name is Susan Macchia and I am proud to offer my recommendation of Anastasia Ignashkina to whom I have personally known this academic year as her reading teacher at Cypress Lake High School.

Anastasia works hard, and carries herself in a polite and respectable manner. In addition, Anastasia is a responsible student who commits much time and ability that further her growth and development. She is fluent in both English and Russian and has completed two Spanish courses. Her current GPA is 4.08 and she is extremely attentive to completing her assignments with care and concern. In addition to her studies, Anastasia is a two-time world champion in synchronized swimming and a master of sports. She is committed to achieving her personal best both academically and athletically.

In conclusion, Anastasia has my respect and highest recommendation as an exemplary student who has demonstrated excellence in all that she puts her mind to, whether working on a group project, or preparing for a presentation. Anastasia's natural aptitudes lead me to believe that she will be a valuable addition to your school.
