Dear Admissions Committee:

I am honored to be writing this recommendation letter for Anastasia Ignashkina. She entered my United States History 1850 to Present class in the 2017-2018 school year. Her immediate success and mastery not only of the English language but of the material propelled her to be one of my top performing students. She is fluent in Russian, and English. She is also now mastering Spanish. She has a thirst for knowledge and always attempts her personal best.

Throughout the year, Anastasia was an active participant in our discussions, and she always supported her peers. Her caring nature and personality allow her to work well with others in a team setting, as she always respects others' opinions even when they differ from her own. Anastasia has maintained all A's and B's in every academic course at Cypress Lake High School in Fort Myers, Florida. She currently holds a 4.08 GPA.

I am certain that Anastasia is going to continue to do great and creative things in her future. She is a two times world champion in synchronized swimming, and seems to have synchronized her effort to an "A" status in each of her courses. I highly recommend her for admission to your program. She is talented, caring, intuitive, dedicated and focused in her pursuits. Anastasia consistently seeks out constructive feedback so she can improve her knowledge, which is a rare and impressive quality in a high school student. Anastasia is truly a standout individual who will impress everyone she meets. Her advanced skills and passion for the subject make her an ideal fit for your rigorous program.
